

TEXAS DEPARTMENT OF PUBLIC SAFETY

Proof of financial responsibility is required before an inspection may be conducted. Vehicles equipped to use CNG as a fuel must provide proof of the system's expiration date as a prerequisite to inspection.

Inspection items for passenger cars or light duty trucks are as follows:

Beam Indicator	Horn	Service Brake System
Emission System	Mirror	Tail Lamps
Exhaust System	Parking Brake	Tires
Gas Cap	Rear Reflectors	Turn Signals
Headlamps	Seat Belts	Wheel Assembly
License Plate Lamp	Steering System	Window Tint
	Stop Lamps	Windshield Wipers

Additional inspection items for vehicles 80 inches or more in width or commercial vehicles are as follows:

Backup Lamp (F.M.C.S.R.)	Fuel System (F.M.C.S.R.)	Side Marker Lamps
Cab Lamps (Truck Tractor Only)	Hazard Warning Lamps (F.M.C.S.R.)	Side Reflectors
Clearance Lamps	Identification Lamps (F.M.C.S.R.)	Suspension (F.M.C.S.R.)
Coupling Devices (F.M.C.S.R.)	Reflective Tape (F.M.C.S.R.)	Tractor Protection Valve (F.M.C.S.R.)
Frame (F.M.C.S.R.)	Safety Guards/Mud Flaps	Windshield (F.M.C.S.R.)

Items required for motorcycle inspections are as follows:

Exhaust System	Mirror	Stop Lamp
Head Lamp	Rear Red Reflector	Tail Lamp
Horn	Service Brakes	Tires
License Plate Lamp	Steering	Wheel Assembly

INSPECTION FEES (EFFECTIVE MARCH 1, 2015)

*** Amount shown is the maximum that can be charged for the inspection type***
